BIENNALE ARCHITETTURA 2025

The 19th International World Famous Exhibition will take place between 10.May - 23.Novemner 2025 .
The history of the La Biennale di Venezia dates back from 1895, when the first International Art Exhibition was organized. In the 1930's new festivals were born: Music, Cinema, and Theatre (the Venice Film Festival in 1932 was the first film festival in history). In 1980 the first International Architecture Exhibition took place.

SAN CLEMENTE CHURCH & GARDENS

Historical San Clemente Palace offers palatial experiences beyond expectations, including 80 acres dotted with linden, cypress, elms and nettle trees and a 12th-century church from 1131.

The San Clemente Church construction began in the year 1131 and reached today's form with additions and amendments in every century. The church has a Romanesque structure and is modelled on the Holy House of Loreto, birthplace of the Virgin Mary, and is one of the most beautiful examples in the world.

The island offers multiple courtyards nestled in between the hotel's wings. The Main Courtyard, palm and secret gardens are considered some of the most beautiful ones in Venice.

ORGANISM BY ARTIST SEUNG-HWAN KIM

Highly anticipated "Organism" exhibition by renowned Korean artist Seung-Hwan Kim represented by Harmonie Nine Gallery, featuring captivating sculptures that push the boundaries of the medium and explore the interplay between nature, light, and color in our lush gardens. With an impressive artistic journey and international recognition, Kim's "Organism" series skillfully captures the intricate changes in natural forms, representing the order and eternal nature found in the world around us. The exhibition pays homage to Venice's artistic heritage, showcasing the artist's exceptional talent and his exploration of nature's wonders, inviting viewers to contemplate the delicate balance between materiality and immateriality, and the interplay of light and atmosphere. Can be seen until 31.10.2024
